

## II. Senior Instructor Promotion Procedures

Peer review is required in arriving at promotion decisions; departments and the College are required to indicate explicitly how recommendations evolved during the review process and must communicate these procedures to the candidates and to the administration. The procedural steps below must be completed by the deadlines indicated in section V.

Any challenge of promotion decisions must proceed according to the University's Grievance Procedure, which is found in the Faculty Handbook, Section 4.2, Faculty Grievance Procedures.

1. A candidate must upload materials relevant to the promotion decision to a specially designated Google Drive folder, as described in section IV below. Some of these materials will be in the form of a report generated from Watermark Faculty Success.
2. The Department Promotion Committee reviews the candidate's materials in the Google Drive folder, makes a recommendation, and completes the Department Promotion Committee Recommendation Form at:  
<http://www.southalabama.edu/colleges/artsandsci/facultypolicies.html>
3. The Chair of the Department Promotion Committee uploads the Promotion Committee recommendation to the Google Drive folder by creating a "Reviews.pdf" file for them and uploading it.
4. The department Chair reviews all materials submitted by the candidate and the Departmental Promotion Committee. The Chair develops a written recommendation for or against promotion along with a justification for the recommended action, and appends his or her recommendation to the front of the "Reviews.pdf" in the candidate's Google Drive folder. The Chair then meets with the candidate and informs the candidate of the recommendations, giving the candidate a printed copy of the Chair's written recommendation and justification. Upon receiving a copy of the Chair's report, the candidate signs the Departmental Review Notification form, acknowledging receipt of the Chair's report.
5. If the candidate wishes to include additional materials supporting his/her candidacy for promotion, the candidate has one week after meeting with the chair to submit them for inclusion in his/her portfolio. These materials will be added to the candidate's electronic promotion portfolio folder for review at the college/school level where they must be appended to an electronic copy of the signed "Promotion and Tenure Recommendation and Justification" form and titled "Departmental Review Notification.pdf". The candidate must check the appropriate box on the form, indicating the inclusion of additional supplemental materials. This document is added by the Dean's Office to the candidate's Google Drive folder. If additional evidence is submitted, the College Promotion Committee may, at its discretion, consult with the Departmental Promotion Committee to clarify questions related to the additional materials.
