COACHING CERTIFICATE PROGRAM

The Coaching Certificate program is a 21 hour academic program that can be completed in two years. The program is intended to give students with coaching aspirations at all levels of athletic competition, a solid foundation for a successful career in coaching. In addition to classroom lectures, online activities, observations, and service learning, teaching methodologies are used to help build coaching skills and abilities for the student. Built around the National Association for Sport and Physical Education's (NASPE) National Standards for Sports Coaches, the curriculum is a comprehensive coaching education program emphasizing the eight domains of coaching. Course work includes sport specific courses, coaching theory, sport behavior, basic athletic injury care, sport specific coaching strategies, and team management.

Program Requirements: Satisfactory completion of 21 hours (12 required; 9 elective) with a minimum GPA of 2.0 required for certificate.
