- b. **New Faculty Searches** – The search committee for the Assistant Professor in Counseling in Professional Studies has two candidates coming in to interview January 21st and 23rd. The search committee for the Chair of LTE has recommended that the search be continued. The Assistant Professor search for HPELS has identified a pool of 6/7 candidates and will be meeting this week to review applicants.

2. **Founders Day** – Dean Hayes continued the discussion of the Founders Day event. The event is scheduled for 9:00 AM on January 28, 2011. The event will be held in the UCOM building. The event is open to all students in secondary education. Financial Aid has a hard time placing these students because they either do not want to work or do not have transportation.

5. **Collaborative Research Retreat** - Dr. Feldman again encouraged attendance at a free collaborative research retreat to be held at Five Rivers Delta Resource Center on January 28, 2011. This will be a short course on how to prepare grants and contracts. Those who plan to attend should register this week.

6. **Living/Learning Communities** –

- a. Dean Hayes' New Year's resolution is to try to articulate deadlines and what actions are necessary more clearly in future memos to administrators in the COE. In return he has asked for more timely feedback from each administrator.
- b. Dr. Dodge brought up a problem with registration site (PAWS) where COE was filed incorrectly alphabetically under "U". That problem seems to have been rectified as of this morning.
