Events Management Committee

Software Decision – EMS

- Comprehensive training program
- Integrates with Banner/Ad Astra
- Offers a mobile component for the end user
- Offers a custom master calendar product
- Overall cost is more competitive
- Offers the ability to do a master merge of current systems into the new EMS Enterprise

Items to Remember and Share

USA has contracted with EMS.

*Special events content will be sent for advanced review by April 20.

Feedback

Outcome check & Next Steps

Did we...

- f* Accomplish significant subcommittee work?
- f* Are you clear on next steps?

Next steps

- f* Allocate time to review special events content prior to our next meeting.
- f* Share with your colleagues, peers and supervisors that the software decision has been made.
- f* Email Melva if you are interested in the training or advisory committee.
